A motion was made by Lt Scott Weaver and second by Chief Pete Montez to approve the Agenda for November 21st, 2006.

A motion was made by Judge Eugene Delos Santos and second by Lt. Scott Weaver to approve Minutes for October 17, 2006.

The legal updates on DWI will be given by Stephen Kovach @ the Sheriff's training room. This class will be offered on December 5th @ 1:00 p.m. and December 7th @ 8:00 a.m.

DWI Fatal collision on October 28, 2006 involved a man on a motorcycle he hit the curb. So far we've had two fatal collisions for this year.

The Superblitz schedule is on the website in case any of the agencies want to do a saturation patrol.

First Quarter report is still pending approval. Report will be moved for approval for December's meeting.

Currently working on a new website for DWI Affiliates will be up and working later this month. Website will have links and resourceful information for anyone needing it.

A new banner was purchased and stands to hold the banners. The banners style has been changed to vertical giving it a different look.

Next year we will start with Project Sticker Shock. This project involves stickers that read "It's a 4th Degree Felony to serve and sell liquor to minors". The red stop sign will be placed on the windows of convenient stores. The sticker with a silver star will be placed on cases of beer. We will probably have the distributors place them on the beer.

DFA Audit starts November 28th thru December 1st.

Letters of Support from the community are required to be attached on the Grants.

Candy Spence Ezzell had questions in regards to DWI fatalities and the laws behind DWI. Further discussion and all answers were given by Judge Corn.

Presentation was given from Dexter student and her experience with the TNT program.
