Next year we will start with Project Sticker Shock. This project involves stickers that read "It's a 4th Degree Felony to serve and sell liquor to minors". The red stop sign will be placed on the

windows of convenient stores. The sticker with a silver star will be placed on cases of beer. We will probably have the distributors place them on the beer. Volunteers are needed for this specific assignment. The following people and agencies signed up to help: Janet Norris, Bobby Sanchez, State Police (2) and Sheriff's Office (2).

Letters of Support from the community are required to be attached on the Grant.

TNT Lunch was a huge success. We might have another luncheon in the fall of 2007.

The DFA Audit was a huge success. We only had one finding which was Teen Court is collecting fees. Other than that everything went well. The ASAM criteria was not been articulated well in counseling. The contractor is currently working on modifications. The minutes of the Planning Council need to be signed by the Chairman.

The nominating committee needs to nominate 10 people that can sit on the DWI Planning Council as voting members.

A Finance committee has been made to help with ideas on expending funds for end of the FY 2007. The members will be Rob Coon, Oscar Gonzalez and Stephen Kovach. The committee will be looking at extending the ASPEN program, Funding for Teen Court and purchasing an IR 8000 for Roswell Police Department.
